## In harmony with nature A retreat for mind and body

Kitoron is a retreat located at the foot of the 457m Mt. Kitoushi in the northwestern forest area, where you can indulge in a serene experience for both mind and body. This expansive resort blends rich rural landscapes with the changing seasons, offering a multifaceted wellness experience. Relax in the baths and saunas that will warm you to the core while enjoying the ever-changing views. There is also a restaurant that uses ingredients from Hokkaido and the local area, as well as a shop and a gallery where you can encounter things and experiences from Higashikawa Town.

An observation deck with a panoramic view of the surrounding area.
